

Item #

Candidates & Initiatives

- 10 Support vulnerable Democratic House of Delegates candidates and candidates for potential flips in Virginia (all are up for election in 2021)
- 11 Work to unseat LaMalfa, McClintock & Calvert who supported the TX lawsuit to go against electors.
- 16 Big time effort for 2022 elections for nation
- 17 Target Republicans as fascist.
- 18 Related to #17, work specifically on Senate races in PA and WI, which may be very winnable. Also assess the situation with Mark Kelly (AZ) and Catherine Cortez Masto (NV), who may need help.
- 22 Find ways to discourage candidates who have NOT been endorsed by the Democratic Party from putting language in their mailers suggesting that they have received the Party's endorsement.
- 26 Support/Defend Virginia Odd Year Race for house of delegates
- 28 Win back seats in House
- 30 Endorse candidates in the California Democratic Party (CDP) elections (Chair, Vice Chair, etc.)
- 31 Seek amendments to the CDP bylaws to prohibit elected officials from running in ADEMs and for CDP officer positions. Maximize opportunities for activists and non-electeds to serve in these important roles.
- 32 Election in Virginia which is for all state legislature. Important election
- 34 Work for Virginia election to ensure we keep the governor and take over the House of Delegates
- 38 Study the reasons for poor performance in state legislature races and promote methods to improve.HOW
- 51 Recruit and ELECT more women
- 54 Increase pipeline of young progressives to run for local and state offices.
- 58 Support self-destruction of republican party
